CAPITAL CAMPAIGN

When we opened our doors in 1984 and took in our first stray, Bentley, we never thought over 30 years later the shelter would remain in the 100-year-old piggery that became our home. With a building beyond repair, CVHS Board, staff and volunteers have come together to build a new shelter. We have executed a 99-year lease with Strafford County for a 6 1/2 acre parcel of land on the County Complex where the new facility will be built. George Maglaras, Chairman of the Board of County Commissioners and Co-Founder of CVHS explains, "the need and demand for CVHS' services are as pressing today as they were over 30 years ago! However, new infrastructure is greatly needed and resulted in this capital campaign." The **Garden and Walkway Brick Campaign** is another way that the community can support this needed new facility and honor or memorialize a special person or pet.
